# Our Global Partners

# Our Value

## • OUR INVESTMENT IN EXCELLENCE

DECO has invested heavily in resources to surpass global standards, enhancing our workforce and equipment for reliable participation in various projects across different domains.

## • OUR CORE VALUES

At DECO, we prioritize Quality, Safety, Timely Completion, and Excellence, driving our growth and ensuring exceptional results in every project.

## • OUR SPECIALIZATIONS

DECO specializes in EPC projects, Industrial Automation, Electrical and Mechanical installations, and Hands-on Training. Our expertise plays a crucial role in various infrastructure projects, including energy, water, and wastewater management, as well as waste-to-energy initiatives.

## Vision

DECO's vision: Leading global engineering and construction for innovation and sustainability. We aim to boost industries, empower communities, and protect the environment through expertise and collaboration, making a positive global impact.

## Mission

At DECO, our mission is to enhance industries through exceptional engineering and construction services. Our commitment to excellence, sustainability, and collaboration ensures the highest quality, safety, and eco-friendliness of our projects.

## **Notable Achievements**

By fostering long-term partnerships and maintaining open lines of communication, DECO continues to exceed client expectations and contribute to the success of their ventures. Our dedicated team is the cornerstone of our success, consistently delivering innovative solutions and unparalleled service in every project we undertake.

## **Global Presence**

DECO has a global presence with branches and networks across the Middle East, Europe and Africa. This allows DECO to expand its reach and serve clients in various regions. The global presence of DECO demonstrates its ability to adapt to different markets and work on projects internationally.

# DECO Group: Building Excellence, Ensuring Safety, and Powering Progress

DECO Group of Companies' leadership team, consisting of experienced professionals, is the driving force behind our success. They provide strategic vision, ensure quality, prioritize safety and the environment, and guide us in delivering value to clients in various industries worldwide.

Our culture is the cornerstone of our success at DECO Group of Companies. It defines who we are and shapes how we approach every aspect of our business. At DECO, we have a multi-cultural environment and multinational talents from around the world who made it possible for DECO Group to succeed in creating a strong presence globally.

# Our Culture

DECO GROUP

Our ESG Strategy

Environment (E):

**Environmental Stewardship:** We actively seek to minimize our environmental footprint across all our operations. This includes reducing energy consumption, optimizing resource usage, and implementing eco-friendly technologies.

Sustainability (S):

**Inclusivity:** We promote diversity and inclusivity within our workforce and strive to create an inclusive workplace that values the contributions of all employees, regardless of background or identity.

Governance (G):

**Transparency and Accountability:** We uphold the highest standards of corporate governance, emphasizing transparency, accountability, and ethical conduct at every level of our organization.

# Our QSW Strategy

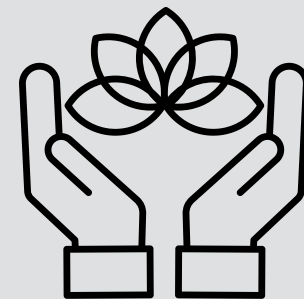

## Quality (Q):

**Quality Assurance:** We place the highest priority on delivering products and services of the utmost quality. Our Quality Assurance processes are comprehensive and meticulous, ensuring that we meet and exceed client expectations.

## Safety (S):

**Safety First:** The safety of our employees, clients, and the public is paramount. We adhere to rigorous safety protocols, conduct regular risk assessments, and implement comprehensive safety training to create a secure work environment.

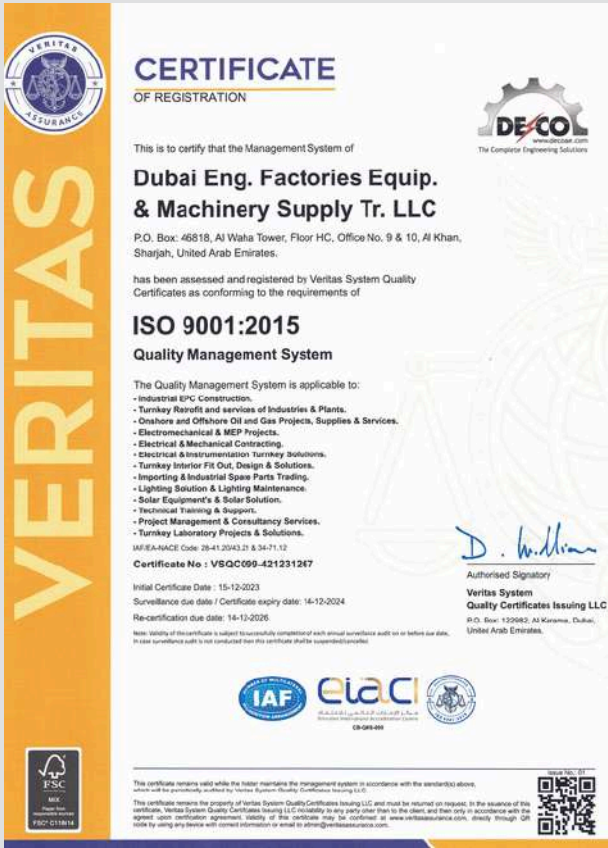

## Wellness (W):

**Employee Well-Being:** We prioritize the well-being of our employees, both physically and mentally. Our wellness programs promote a healthy work-life balance, stress management, and access to wellness resources.

# Training

DECO is an Industrial EPC and an expert in the fields of instrumentation, automation and process control Industry, offers a new category of training courses entitled "Hands-On Automation and Process Control". These courses are facilitated by Certified trainers who are experts in the field and who can share with the trainees the industry's best practices. Additionally, participants in the training will have the opportunity to practice their newly acquired skills using state-of-the-art equipment located in our training center. Moreover, the course offerings are updated regularly in line with the continued development of automation and process control systems.

[www.decoae.com](http://www.decoae.com)

**DECO GROUP**

# Training

Come and be a part of our dedication to achieving excellence, fostering innovation, and staying at the forefront of industrial automation. DECO's training program will equip you with the expertise and abilities required to effectively navigate and excel in the intricate realm of contemporary automation and process control systems.

Our accredited trainers, renowned authorities in the industry, oversee these courses, imparting invaluable insights and industry best practices. What distinguishes our training is the chance it offers participants to apply theory in real-world scenarios. Within our cutting-edge training facility, individuals have the opportunity to refine their newly acquired skills using state-of-the-art equipment.

[www.decoae.com](http://www.decoae.com)

**DECO GROUP**

# Our Courses

Join us in our commitment to excellence, innovation, and staying ahead of the curve in industrial automation. With DECO's training, you'll acquire the knowledge and skills needed to navigate and master the complexities of modern automation and process control systems.
